Panoramic 180-degree views from nearly every room, beautifully landscaped backyard, and a versatile lower level with a kitchenette make this home a rare find. No-step main level with an open floor plan and updated kitchen w/granite countertops. Primary suite includes private deck with a view and remodeled bath with heated floors, quartz counters and low-step shower. Three additional bedrooms upstairs, plus large bonus room. Lower level provides a 2nd living space with a great room concept-home theatre, kitchenette, bedroom, 3/4 bath and a wine closet. Outdoor living won't disappoint-2 spacious decks, patio, outdoor kitchen, sunshades, speakers, pergola plus expansive view! 3-car heated garage with a workbench and overhead storage. Too many features to list-come and see!
